didi

Soluzione funzionale e innovativa che permette di contenere in modo sicuro il pc. Grazie alle sue dimensioni compatte si adatta perfettamente anche agli ambienti contenuti, come la sala radiologica e lo studio. Dotato di supporto per monitor orientabile e cassetto push pull per tastiera, è progettato per mantenere tutto in ordine.

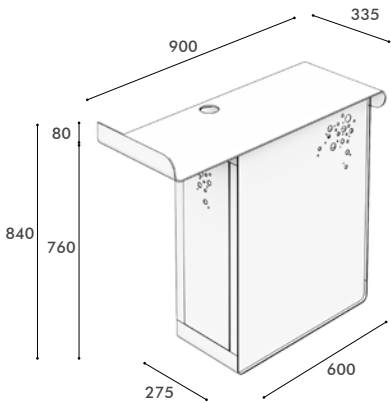

/A functional and innovative solution that allows you to safely store your PC. Thanks to its compact size, it fits perfectly even in small spaces, such as radiology room and practice. Equipped with an adjustable monitor support and push-pull keyboard drawer, it is designed to keep everything in good order.

didi wall

Versione a parete con mensola pensata per gli spazi più contenuti. Il design pulito incontra la praticità del cassetto estraibile, che consente di alloggiare e proteggere il tuo dispositivo mantenendo tutto in perfetto ordine.

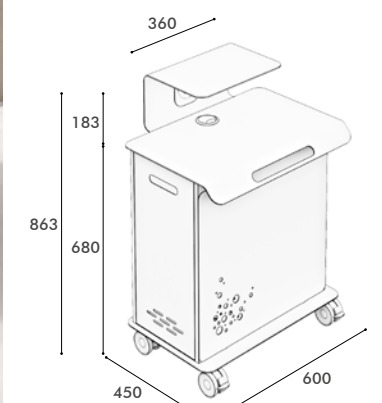

/Wall-mounted version with shelf designed for smaller spaces. Clean design meets the functionality of the pull-out drawer, which allows you to store and protect your device while keeping everything in perfect order.

caddie

Pratico ed ergonomico, questo carrello permette di contenere la strumentazione elettronica che necessita di essere spostata da una sala all'altra all'interno dello studio, utilizzando la pratica presa a maniglia. La mensola rialzata è utile per facilitare l'appoggio dei dispositivi essenziali quali scanner intraorali e ablatori.

/Practical and ergonomic, this cart can hold electronic equipment that needs to be moved from one room to another within the practice, using the convenient handle. The raised shelf is useful for storing essential devices such as intraoral scanners and scalers.

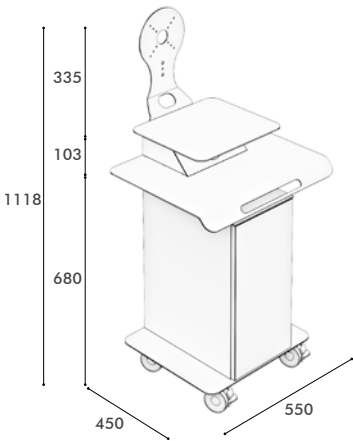

tender

Postazione dinamica con supporto per lo schermo per garantire un pratico utilizzo. Permette di contenere la strumentazione elettronica, lasciando l'ambiente di lavoro ordinato e funzionale.
